# ABOUT US

---

**Saze Community Services, Inc.** is fully committed to helping your intellectually, mentally and developmentally disabled family members to:

Achieve greater things through encouragement

Realize their fullest potentials in skills and talents

Practice their optimum level of independence

Live rewarding lifestyles in a safe and caring environment

We are a non-profit Group Home based in Illinois with the capacity to house 8 individuals at a given time. Our group home provides personal care, access to medical services, habilitation programs and social services for the individ-

**Saze Community Services, Inc.** is a non-profit organization offering CILA (Community Integrated Living Arrange-

ment) services for the intellectually and developmentally disabled. We are a 501c certified organization obtaining funds, volunteer

workforce and community support services in order to provide for the needs of the residents in our group home.

In addition to caring for the 8 residents at our facility, we also conduct activities, fund raisers and events that are focused on raising awareness about intellectual and developmental disabilities. We be-

lieve in the potential of every single person to live quality lives and to inspire others in attaining their dreams no matter what barriers there may be. No disability, no illness and no mental capacity can limit us from attaining the standard of living that we deserve. With the help from family and the supportive staff at **Saze Community Services, Inc.** your loved one can accomplish the same. Talk to us about admission requirements for our group home.
